

Thursday, October 5

08:30-09:00 Room 1

Opening Ceremony

B. De Foer, Antwerp/BE; E. Vassallo, Msida/MT

09:00-10:30 Room 1

Oropharynx (ESHNR-ASHNR Joint Session)

Moderators: K. Mosier, Indianapolis/US; S. Robinson, Vienna/AT

09:00 Staging of oropharyngeal malignancy. An update from the 5th edition of the WHO classification. What's new?
R. Maroldi, Brescia/IT

09:30 Post-treatment imaging in oropharyngeal tumours: Pearls and pitfalls
H. Stambuk, New York/US

10:00 Case presentations
G. Potter, Manchester/UK

10:10 Case presentations
D. Hadnadjev Simonji, Novi Sad/RS

10:20 Panel discussion
D. Hadnadjev Simonji, Novi Sad/RS; R. Maroldi, Brescia/IT; G. Potter, Manchester/UK; H. Stambuk, New York/US

09:00-10:30 Room 2

Radiomics and AI in head and neck imaging

Moderator: J. Hirvonen, Turku/FI

09:00 AI fundamentals: Hand-crafted radiomics and deep learning
L. Ugga, Naples/IT

09:20 Quality control and critical issues in radiomics research and software
R. Cuocolo, Salerno/IT

09:40 Applications of AI in head and neck cancer: Diagnostic imaging
S. Bisdas, Richmond/UK

10:00 Applications of AI in head and neck cancer: Radiation oncology
L.V. van Dijk, Groningen/NL

10:20 Q&A

10:30-11:00 Coffee Break

11:00-12:30 Room 1

Temporal bone

Moderator: L. Oleaga, Barcelona/ES

11:00 Approach to Vertigo
B. Kovacovics, Linköping/SE

11:30 A systematic review in pulsatile tinnitus? Or how I approach pulsatile tinnitus?
B. Verbist, Leiden/NL

12:00 Approach to Tumours including rare middle ear tumors and bone lesions
B. De Foer, Antwerp/BE

11:00-12:30 Room 2

Refresher Course 1: Skull base

Moderator: A. Lo Casto, Palermo/IT

11:00 Imaging anatomy of the skull base
G. Potter, Manchester/UK

11:30 Imaging of sella and sphenoid pathology
B. Schuknecht, Maur/CH

12:00 Imaging of the jugular foramen and craniocervical junction
S. Connor, London/UK

12:30-13:30 Lunch Break

13:30-15:00 Room 1

Imaging for pre- and post-op endoscopic skull base surgery (ESHNR-ASHNR Joint Session)

Moderators: B. De Foer, Antwerp/BE; C. Glastonbury, San Francisco/US

13:30 Preoperative imaging assessment for skull base surgery
A. Borges, Lisbon/PT

14:00 Expected post-operative findings in the skull base – What not to miss
C. Branstetter, Pittsburgh/US

14:30 Case presentations
P. Touska, London/UK

14:40 Case presentations
A. Péporté, Rorschach/CH

14:50 Panel discussion
A. Borges, Lisbon/PT; C. Branstetter, Pittsburgh/US; A. Péporté, Rorschach/CH, P. Touska, London/UK

13:30-15:00 Room 2

Scientific Oral Presentation Session 1

Moderators: R.K. Lingam, London/UK; S. Petrovic, Nis/RS

15:00-15:30 Coffee Break

15:30-17:30 Room 1

Update on Head and Neck Radiology Training – Around the World

Moderator: S. Robinson, Vienna/AT

15:30 UK view
R.K. Lingam, London/UK

15:42 Model in USA
C. Glastonbury, San Francisco/US

15:54 African way
A. Al-Saleh, Addis Ababa/ET

16:06 Australian perspective
J. Gillespie, Bardon/AU

16:18 European undergraduate radiology training – Geneva example
M. Becker, Geneva/CH

16:30 My ESOR fellowship
A. Napolitano, Bergamo/IT

16:42 Mentee experience
H. Sükösd, Budapest/HU

16:54 Building bridges to ESHNR
L.J. van Rensburg, Cape Town/ZA

17:06 Round table Q&A: To make the next generation fit for h&n radiology

A. Al-Saleh, Addis Ababa/ET; M. Becker, Geneva/CH; B. De Foer, Antwerp/BE; J. Gillespie, Bardon/AU; C. Glastonbury, San Francisco/US; R.K. Lingam, London/UK; A. Napolitano, Bergamo/IT; S. Qureshi, Abu Dhabi/AE; H. Sükösd, Budapest/HU; L.J. van Rensburg, Cape Town/ZA

15:30-17:30 Room 2

Neck intervention

Moderator: T. Beale, London/UK

15:30 Neck FNA/Biopsies
S. Morley, Chelmsford/UK

16:00 Thyroid RFA
S. Jawad, London/UK

16:30 Salivary Gland
TBA

17:00 Vascular/tumour embolization
R. Grech, Msida/MT

Friday, October 6

08:00-08:30 Room 1

ESHNR General Assembly

08:30-10:30 Room 1

Vascular/Congenital lesions neck (ESHNR-ASHNR Joint Session)

Moderators: D. Farina, Brescia/IT; A. Srinivasan, Ann Arbor/US

08:30 Up to date classification of vascular lesions of the neck
D. Shatzkes, New York/US

09:05 Paediatric vascular lesions and mimics
A. Siddiqui, Kings Hill/UK

09:35 Case presentations
Y. Pekcevik, Izmir/TR

09:50 Case presentations
J. Hirvonen, Turku/FI

10:05 Paediatric case presentations
F. D'Arco, London/UK

10:20 Panel discussion
F. D'Arco, London/UK; J. Hirvonen, Turku/FI;
Y. Pekcevik, Izmir/TR; D. Shatzkes, New York/US;
A. Siddiqui, Kings Hill/UK

08:30-10:30 Room 2

Larynx/Hypopharynx

Moderator: D. Summers, Edinburgh/UK

08:30 Rad-Anatomy/Pathology (pearls and pitfalls)
G. Madani, London/UK

09:00 MRI vs. CT of Larynx
M. Ravanelli, Brescia/IT

09:30 Surgical Management of Laryngeal Malignancy
TBA

10:00 Post Treatment Larynx/Hypopharynx Imaging
R. Hermans, Leuven/BE

10:30-11:00 Coffee Break

11:00-12:30 Room 1

Sinonasal

Moderator: S. Connor, London/UK

11:00 Inflammatory and infectious pathology
S. Robinson, Vienna/AT

11:30 Case based review of sinonasal tumours
L.J. van Rensburg, Cape Town/ZA

12:00 New 5th WHO classification and how to assess orbital, intracranial and perineural involvement
A. Venkatasamy, Strasbourg/FR

11:00-12:30 Room 2

Scientific Oral Presentation Session 2

Moderators: H. Kelly, Boston/US; A. Al-Saleh, Addis Ababa/ET

12:30-13:30 Lunch Break

13:30-15:00 Room 1

Orbit

Moderator: S. Kösling, Halle/DE

13:30 Imaging anatomy of the orbit
TBA

13:50 Paediatric orbit
K. Mankad, London/UK

14:10 Orbital tumours
P. de Graaf, Amsterdam/NL

14:30 Infectious/granulomatous diseases of the orbit
S. van Cauter, Holsbeek/BE

14:50 Panel Discussion

13:30-15:00 Room 2

Emergency Session

Moderator: R. Saat, Tallinn/EE

13:30 Deep neck space anatomy review
G. Greenberg, Petah Tikva/IL

13:50 Case based review of H&N infections (incl. COVID)
B. Özgen Mocan, Chicago/US

14:10 Facial/orbital/skull base trauma
E. Loney, Shiplely/UK

14:30 Vascular H&N Trauma
TBA

15:00-15:30 Coffee Break

15:30-17:30 Room 1

How to tackle head and neck cancer reporting – A multidisciplinary approach

Moderator: M. Mack, Munich/DE

15:30 How to write a structured staging report for head and neck cancer
S. Arya, Mumbai/IN

15:54 Cervical lymphadenopathy – Cased base review
J. Goh, Singapore/SG

16:18 Oncologist perspective
N. Refalo, Msida/MT

16:42 Histopathological: P16/molecular testing update
A. Betts, Msida/MT

17:06 Key differences of imaging features of HPV positive and HPV negative SCCs (it would mainly focus on MRI & a little bit of PET CT, discussion of non-oropharyngeal tumours)
M. Becker, Geneva/CH

15:30-17:30 Room 2

Cranial Nerve Review – Anatomy and Pathology

Moderator: E. Loney, Shiplely/UK

15:30 Cranial Nerves I-VI
H.B. Eggesbo, Oslo/NO

16:00 Cranial Nerves VII-VIII
T. Nunes, Lisbon/PT

16:30 Cranial Nerves IX-XII
T. Beale, London/UK

17:00 Q&A

Saturday, October 7

08:30-10:30 Room 1

Refresher Course 2: Head & Neck Cancer

Moderator: C.Z. Karaman, Aydin/TR

08:30 Nasopharyngeal cancer staging

A. King, Hong Kong/HK

09:00 Patterns of spread in oral and oropharyngeal cancer

D. Farina, Brescia/IT

09:30 Imaging in patients with suspected head and neck cancer of unknown origin

M. De Win, Amsterdam/NL

10:00 Normal post treatment imaging appearances and how to detect recurrent tumour

J. Gillespie, Bardon/AU

08:30-10:30 Room 2

Scientific Oral Presentation Session 3

Moderators: P. Mundada, Singapore/SG; R. Vaidhyanath, Leicester/UK

10:30-11:00 Coffee Break

11:00-12:30 Room 1

Dental/Maxillofacial

Moderator: L.J. van Rensburg, Cape Town/ZA

11:00 How I assess the OPG?

M. Suuronen, Espoo/FI

11:20 Cystic lesions of the mandible and maxilla. A systematic approach

C. Greenall, Cardiff/UK

11:40 Incidental findings in the jaw on CT – What should we know about teeth?

C. Czerny, Vienna/AT

12:00 Imaging of TMJ

I. Sepulveda, Concepción/CL

11:00-12:30 Room 2

Nerve pathways: Best imaging techniques according to pathology

Moderator: TBA

11:00 Brachial Plexus

M. Mack, Munich/DE

11:20 Trigeminal neuralgia

C. Glastonbury, San Francisco/US

11:40 Facial nerve palsy

H. Kelly, Boston/US

12:00 Vocal cord paralysis

R. Saat, Tallinn/EE

12:30-13:30 Lunch Break

13:30-15:00 Room 1

Refresher Course 3: Thyroid/Parathyroid

Moderator: S. Qureshi, Abu Dhabi/AE

13:30 Multimodality imaging of parathyroid adenomas

A. Germano, Barcarena/PT

14:00 How I image the thyroid nodule

S. La'Porte, Buckingham/UK

14:30 Imaging for the staging and management of thyroid cancer

E. Vassallo, Msida/MT

15:00-15:30 Room 1

Closing Session & Awards

B. De Foer, Antwerp/BE; E. Vassallo, Msida/MT
